

BEDUGUL SIGHTSEEING TOUR

This tour leads you about 2 hours to the beautiful Highland of Bedugul where you will visit the wonderful **Temple Ulun Danu** at the **Lake Bratan**. Here you can enjoy a nice natural area around the crater of the volcanoes, about 1400 meters above the sea level. The Temple Ulun Danu is surrounded by the mountains and provides the necessary water for the fields, rivers and springs on the plains below.

Next to the Lake is a large Botanical Garden (**Kebun Raya Eka Karya Bali**) which covers an area of 129.2 hectares with more than 650 tree species in the park.

Nearby the Botanical Garden you can visit a market called **Mertasari Local Market** where local people sell tropical fruits, spices, vegetables and flowers. Especially delicious strawberries and passion fruits are famous for this place.

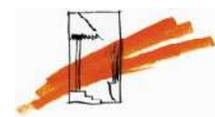

After having lunch at the Lake View Restaurant you will continue your journey to the **Gitgit Waterfall** about 15 km from Bedugul. In the Gitgit Village you can enjoy vast coffee and clove gardens. The area is located about 500 m above sea level and it offers you an unbelievable view on Bali's highest waterfall (about 50 m high) in a beautiful nature.

The departure time from Tauch Terminal is at 8:00 am at you will be back at about 5:00pm.

Included: Transport, soft drinks, entrance fees and lunch

Note: Please bring a sarong to entry the temples.

BESAKIH AND KINTAMANI SIGHTSEEING TOUR

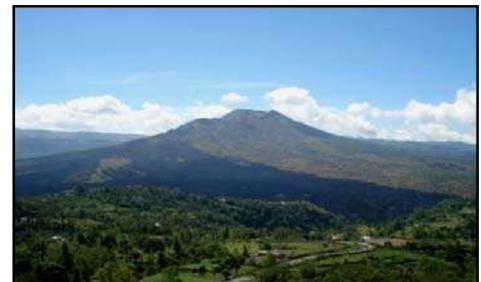

This tour will lead you through the famous rice fields and rice terraces of **Tirta Gangga** until you arrive the **Water Palace**. It was built in 1948 by the King of Karangasem. The architecture is an amazing combination of the Balinese and Chinese style. Tirta Gangga was originally the bathing place for the King of Karangasem and numerous beautiful pools still exist in this area.

After that you will visit one of the most important temples in Bali, the **Besakih Temple** which is also called Mother Temple. As biggest temple in Bali it consists of 22 temples on a complex more than 3 sq km on the slopes of the Mt. Agung where the Balinese believe the spirits of their ancestor live. This temple was found by Rsi Markandya in the late 8th century and so far it is known as the first temple in Bali.

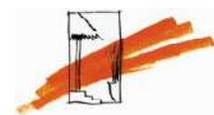

About 30 minutes from the Besakih Temple you can find the **Penelokan Village** which is lying in the crater of the still active volcano and next to the beautiful Lake Batur.

The departure time from Tauch Terminal is at 8:00 am at you will be back at about 4:00 pm.

Included: Transport, soft drinks, entrance fees and lunch

Note: Please bring a sarong to entry the temples.

UBUD AND KLUNGKUNG SIGHTSEEING TOUR

On this tour you will first pass some incredible views of rice fields and rice terraces around the famous Tirta Gangga area.

Then you will visit the **Temple Goa Lawah** (Bat's Cave Temple). This is the home of thousand of bats, hanging on the upper surface of the cave during the days and leaving their abode during the nights. The cave is considered as a holy cave and allegedly there is an underground tunnel leading to the Mount Agung.

In Bedulu Village Ubud you can find the **Goa Gajah** or **Elephant Cave**. A fantastically carved entrance depicts entangling leaves, rocks, animals, ocean waves and demonic human shapes running from the gaping mouth, which forms the entrance to the cave.

From Goa Gajah you continue the tour to the **Monkey Forest Ubud**. This forest is located about 30 km from Denpasar and it is one of the famous places in Ubud. You will meet a lot of nice monkeys and hand feed them with bananas.

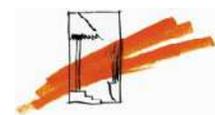

After having a walk through the beautiful forest it is time to go shopping in the **Ubud Art Market** or the **Local Market Ubud**. At these places you can find many souvenirs and you have the chance to buy some nice things for your memories.

The departure time from Tauch Terminal is at 8:00 am at you will be back at about 6:00pm.

Included: Transport, soft drinks, entrance fees and lunch

Note: Please bring a sarong to entry the temples.

ELEPHANT DAY

Get up close and personal with elephants in the Bali Elephant Safari Park which is landscaped as botanical garden and surrounded by national forest. The internationally acclaimed Elephant Safari Park is not only a sanctuary for this protected and endangered species, but is a total elephant experience that is not duplicated anywhere else in the world. Please note that all the elephants at the park were rescued from deforestation in Central & Southern Sumatra.

The Bali Elephant Safari Park is fun for the whole family. You can ride elephants through the cool forest of Taro, participate in children's mini rides, hand feed them, touch them, take photos with them, watch elephants having playful bathing rituals and even get some interesting facts about the elephants ancestry and diversity at the park's historical and graphic displays.

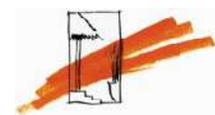

It is also possible to watch displays of elephant intelligence and their capabilities in the Park Arena and experience an elephant painting.

Furthermore you can visit the museum with a large collection of elephant memorabilia and the only mammoth skeleton in South East Asia.

The departure time from Tauch Terminal is at 7:30 am at you will be back at about 7:00pm (the stay is planned from 10:00 am until 4:00 pm).

SWIMMING WITH DOLPHINS

Drive with us to Lovina and swim about 20 minutes with the friendly dolphins, an adventure you will never forget again!! The both male dolphins are very trustfully and not dangerous at all.

If you like you can even bring your snorkel equipment to dive with the dolphins in the seawater pool. The pool area is supervised all the time.

The dolphin show after the swimming is also very impressive, because you will see how dolphins play football, jump through rings, dance, fly in the air and so on.

After that you have the chance to visit the exotic animals park nearby. There you will meet monkeys, bears, kangaroos, snakes and a lot of more.

On the way back you will have a stop in the Banja Village to visit the biggest and most beautiful Buddhist Monastery in Bali, the **Temple Brahma Vihara Arama**. It was built by a local Brahman Bhikku Giri Rakhita in 1970 and contains many Thai iconographic features.

The departure time from Tauch Terminal is at 8:00 am at you will be back at about 4:00 pm.

WATERBOM PARK

Spend one day in the Waterbom Park in Kuta and create your own adventure! That means fun for the whole family!

Here you cannot only go swimming, you can choose between several pools and swim activities, for example Smash Down, Lazy River, Boogie Ride, Pleasure Pool, Euro Bungy Raft River, Race Track and of course the Macaroni Tube, a 17 meters free fall followed by a 360 degree downward spiral. All attractions are on a different „risk level“.

For children, the specially designed Bombastic Aquatic Playground offers plenty of fun in a fully supervised environment. Little ones are kept very busy with twisting rides, water cannons and a giant bucket that pours 1,200 liters of water every 2 minutes. Children under 5 especially love the body slides and twister rides. The whole Kiddy Park is supervised at all times.

And if you just want to unwind, there is no better place in Kuta to do that! Relax on a sun bed, enjoy a cocktail at the pool bar, play badminton, table tennis, volley ball, water volleyball, mini soccer or simply the giant chess with a partner and end your day with a Balinese massage.

The departure time from Tauch Terminal is at 7:30 am at you will be back at about 7:00pm (the stay is planned from 10:00 am until 4:00 pm).

Included: Transport, entrance ticket

Note: Please do not forget to bring your swim clothes and a towel.
